The above picture shows Ken Wilson presenting the Bank of Montreal Curling Trophy to Raymond Scott and his rink at the Haliburton Curling Club's Banquet held at Locarno-on-the-Lake, Haliburton on Saturday, April 27. The rink was the winner of the Haliburton Mixed Curling Club Championship. Pictured from left to right are Nancy Easton, Rev. Raymond Carder, Jeanine Carder, Raymond Scott and Ken Wilson.

H.H.S.S. Glee Club Perform At Bancroft Music Festival

On Tuesday of last week the Glee Club of the Haliburton Highlands Secondary School, under the direction of Mr. Bill Gliddon, won first prize at the three-day annual North Hastings Music Festival, held in the Auditorium of the Bancroft High School.

The Haliburton choir, with an average mark of 85, defeated second place St. Mary's, Combermere (82), and third place North Hastings High School, Bancroft (81).

This was the second festival in which the H.H.S.S. Glee Club has entered this year, and in both competitions they have obtained first prize. The other festival entered was the Peterborough

Kiwanis, where their very high mark of 90 gained for them two trophies, a \$50.00 award, and a chance to compete for the national award - the Lincoln Trophy.

The handsome and coveted Charles E. Allen Memorial Trophy for "the most outstanding choir performance" may be seen in the trophy display case at H.H.S.S.

A number of fine long-play records made last year by the Glee Club are still available. These will be on sale in the foyer of the school before and after the Drama and Music Night program on Friday May 24, at which time an outstanding play directed by Miss Jane Misener will be presented, and the Glee Club will also perform.

St. George's Junior Choir Win Second Prize At Festival

Performing last Thursday evening at their first competitive festival, the Junior Choir of St. George's Anglican Church, under their organist and choirmaster Mr. Bill Gliddon, won second prize in the class for Junior Church Choirs at the North Hastings Music Festival. The choir sang two numbers by Canadian composers, a two-part song with descant "As A Bird At Dawning Singeth" by Glen Kruspe (78 marks) and a unison song "Loving Shepherd of Thy Sheep" by Barrie Cabena (88 marks), for an average mark of 83.

St. George's Junior Choir were defeated by the fine little choir from St. Paul's United Church, Bancroft (86), but they managed

to get ahead of third place St. John's Anglican, Bancroft (82), who had won first the last two years.

The 26-member Junior Choir of St. George's Church, who range in age from eight to 15 years, have certainly brought honour to their church and community, and are to be commended for their fine showing.

The Choir wish to express their gratitude to Mr. Mark Schell for providing a bus for the trip over to Bancroft.

The Adjudicator at this year's North Hastings Music Festival was Professor Dawson Woodburn from Althouse College of Education in London, Ontario.

County Orange Lodge Semi-Annual Meeting

The semi-annual meeting of Haliburton County Orange Lodge was held in Highland Grove L.O.L. No. 74 Hall on Friday May 3, 1968.

The meeting was called to order by the County Master, George Keefer, with Bro. Sonny Pacey as Deputy and Cecil Winter as Recording Secretary. All other officers were filled.

A motion was made that the County Orange members will attend the 12th of July Commemoration in Cobourg this year.

Bro. Gordon W. Barr, P.C.M., extended greetings to the members.

The oldest members present in the Order were presented with a Centennial Orange ash tray.

Erastus Robertson, L.O.L. 1061 Minden, joined the Order in 1903 at No. 468 Lochlin, 60 years in the Order; Howard Peel, L.O.L. 74 Highland Grove, joined the Order in 1913 at Highland Grove, 55 years in the Order; Albert Quibell, L.O.L. 975 Haliburton, joined the Order in 1908 at No. 121 Bobcaygeon, 60 years in the Order; Charles Bowen, L.O.L. 74 Highland Grove, joined the Order in 1908, 60 years in the Order.

The Annual Church Parade will be held in the County town of Minden in June. The date is to be announced later.

There was a good attendance, and after a fine lunch the meeting was adjourned with the singing of "God Save The Queen".

Political Pot Begins To Simmer

The campaign for the Federal Election on June 25 will officially get underway on Saturday afternoon when the Liberals in this Riding will meet in the L.C.V. Auditorium in Lindsay at 2 p.m. to select a candidate.

The New Democratic Party will follow with their Nomination Convention which will be held in the Lindsay Town Hall at 8 p.m. on Tuesday, May 14.

Wednesday, May 15 at 8 p.m. has been the date set by the Progressive Conservatives for their Convention, which will also take place in Lindsay, at the Academy Theatre.

While we have a fairly good idea who the standard bearers for the different parties are going to be, we prefer to await the outcome of these conventions before making any forecast.

Mr. And Mrs. Wm. Watt Bereaved

As we go to press we learn of the sudden passing of Mrs. Marjory Madden in Toronto on Tuesday May 7. The deceased was the daughter of Mr. and Mrs. William Watt of Haliburton.

Mrs. Madden had suffered from a heart condition for some time, which was the cause of her sudden demise.

Film Coming

An outstanding film will be shown at the Full Gospel Light-house in Haliburton this Sunday night, May 12, at 7:30 p.m. The movie is "Face The Music" featuring Thurlow Spur and the Spurlows.

The group is sponsored by the Chrysler Company of America.

Service Of Confirmation

It was a privilege and honour to welcome to Haliburton on Monday evening the Rt. Rev. G. R. Calvert, recently retired Bishop of Calgary, who was in charge of the Service of Confirmation or Laying on of Hands at St. George's Anglican Church.

The following candidates were presented to the Bishop: Clifford Paul Dawson, Valerie Irene Cowan, Susan Elizabeth Kirkpatrick, Phyllis Irene Little, Zelda Jane Sisson.

Following the service the candidates, their parents and friends met with the Bishop at a reception in the new Parish Hall.

Slipper Opens On May 18th

The Golden Slipper will open its 1968 season on Saturday night, May 18, and being its the holiday weekend there will be a Special Mid-Nite Frolic on Sunday night.

The ever popular band, the Bad Habits, will be back again to furnish the music for those who enjoy a Saturday night out meeting friends and making friends while dancing at the Slipper.

In order to meet the advanced cost of operation the admission will be \$1.25 each, but it is worth it for the good music, good fun and pleasure you get while dancing Saturday nights at the Golden Slipper.

Who Are We To Believe?

On Thursday, March 28 a meeting, which was held in the Dysart Community Centre, was attended by some 50 citizens who had gathered for the purpose of protesting the removal of the local agent at the Canadian National Railways Station.

The C.N.R. officials did not promise that our agent would be left here, but they did state that beginning in May we would have three trains per week for the summer season. They also made it quite plain that they had no intention of eliminating railway service between Lindsay and Haliburton. We were also told that if we had any problems regarding railway service we were to call Peterborough, where we could secure any information necessary.

We publish herewith a letter which was received by William Emerson regarding the number of trains per week, which speaks

for itself:

Canadian National
Secteur de Rideau
Belleville, Ontario,
15 April, 1968.
Emmerson Lumber Co.,
Haliburton, Ontario.

Dear Sir:

We wish to advise that effective 28 April 1968 the train service from Lindsay to Fenelon Falls, Burnt River, Kilmount, Haliburton and return will be three times a week, namely on Monday, Wednesday and Friday.

G. W. Wheeler,
Branch Manager,
Freight Sales.

Mr. Emmerson called Peterborough as to why we were not getting three trains per week and he was told that they had no information on the matter.

Citizens who take time out to attend such meetings as this one held on March 28 are at least entitled to be told the truth.

"The Birth Of Triplets" Movie Coming To Beaver Theatre

An unusual motion picture experience is in store for moviegoers at the Beaver Theatre in Minden, where "the wondrous story of birth" plays for one day, Sunday May 12 (two showings at 7:15 and 9:15 p.m.) at regular admission prices.

This stirring, award-winning colour documentary featurette has held audiences spellbound with its frank treatment of the most dramatic moment in life, the birth of a baby. This delicate subject unfolds before your eyes on the theatre screen: natural birth, forceps delivery, and the extraordinary birth of triplets by Caesarean section. Made in co-operation with medical profession, the stunning scenes were filmed in their step-by-step entirety on actual location in hospitals.

Straightforwardly depicting the most intimate aspect of life as it begins, it has been enthusiastically acclaimed by critics and audiences. The film is bold, yet tasteful and intelligent. Parents

and expectant parents should find it tremendously enlightening. Many people have seen the birth of one baby, but few have witnessed the birth of triplets, which occurs only once in 9,000 pregnancies. Many aspects are carefully treated — an animated anatomical and physiological explanation of conception and pregnancy, graphic scenes of prenatal care and examination, the Doctor's careful selection of delivery instruments. Dramatic hospital rehearsals of delivery techniques using a specially-built mannequin and a life-sized leather doll explicitly explain the techniques of delivery.

This is adult cinemafare that is not treated sensationally, but which contains actual hospital scenes and therefore cannot be recommended for the faint-hearted. It is perhaps the greatest story ever told, the story of the most exciting sound in a lifetime, a baby's first cry! Beautiful in concept, stunningly factual, the film sings with new life!

Letter Re Guide Rails

Department of Highways
Huntsville, Ontario,
May 2, 1968.

Mr. Wayne Wood, Clerk,
Municipality of Dysart et al,
Haliburton, Ontario.

Dear Sir:

This is in answer to your letter requesting the installation of a guide rail along Highway No. 121, on the railway side, on the western approach to the built-up area of Haliburton.

A guide rail installation would have to be placed very close to the edge of the pavement and, by consequently creating a

cramped feeling in the mind of the motorist, one may in fact cause a hazard by the very means with which you are trying to ensure safety.

Problems would also arise during snowplowing operations and, considering this is a straight section of road with a 30 m.p.h. speed limit, I cannot agree that a guide rail should be installed.

Yours truly,
R. F. Carney,
Maintenance Engineer
for
W. S. Aitken,
District Engineer.

County Liberals Meet

Representatives from the different Polling Subdivisions were present at a meeting held by the Haliburton County Liberal Association on Wednesday night.

A good attendance, numbering between 40 and 50 people, were present at the meeting which was held in the Royal Canadian Legion Auditorium, Haliburton.

Every phase of the coming Federal Election campaign was discussed, and plans were made to see that tickets were well distributed for the Nomination Convention to be held in Lindsay this Saturday.

Due to the redistribution, this Riding has now become one of the largest in Ontario, and it now covers part of Hastings and

Peterborough Counties. This fact means that instead of 167 polling subdivisions we now have 207, and instead of some 30,000 voters the number will be well of 40,000 voters.

The cost of conducting an election campaign can be judged from the fact that in order to send out a circular letter to 40,000 voters the cost would be approximately \$2,800.00.

It was stated at the meeting that if the Liberal Party could turn over seven votes in each poll in the Riding, it could give their candidate a majority in the coming election on June 25.

Every Liberal present at the meeting was asked to get out and see to it that more people would vote Liberal this time.

quiet

Try a new Merc fishing motor once and you'll be spoiled. Your first surprise is the ease of pulling the starting cord . . . secret's in the roller and ball bearings used exclusively throughout each Merc. Trolling's so slow and smooth you won't believe it at first. Yes, you do get a lot more in a Merc . . . exclusive features like a safety-clutch prop drive that eliminates troublesome shear pins, and a rugged one-piece angled lower unit that glides over obstacles and plows through weeds. Small wonder fishermen everywhere are switching to Mercury.

F.O.N. MEETING

The Ontario Department of Lands and Forests, Lindsay, on invitation from the Peterborough Host Club, was one of the exhibitors at the Annual Meeting of The Federation of Ontario Naturalists, held on April 26, 27 and 28 at the Rock Haven Motel in Peterborough.

It is estimated that about 600 persons attended the meeting, most of whom toured the ten displays set up in the exhibit room. These displays included mineral collections from the Bancroft Lapidary Association and publications from the F.O.N. Bookshop and wild flower paintings. The Department exhibit consisted of a series of panels describing the Provincial Parks of the Lindsay District, and a large cased display on waterfowl identification. The park naturalist was on hand at the exhibit to answer questions.

A general reception was held on Friday evening, with the main part of the meeting taking place on Saturday.

On Sunday there were guided field trips in the Ganaraska Forest, Ganaraska Trail, Warsaw Caves, Indian Petroglyphs and the Buckhorn Wilderness Area.

DYSART PHONE DEBENTURES will soon mature.

ASSIGNMENT: FAR EAST — Bill Cunningham (right) and award-winning cameraman Maurice Embra will be CBC news' men in the Far East. Using Hong Kong as a base of operations, Far East correspondent Cunningham and film photographer Embra will file regular reports on major events in Far East newsfronts to CBC radio and television news. Correspondent Cunningham has been in the news field for 20 of his 35 years — the last 14 with the CBC news service. Embra has won several international awards for film features and television commercials.

THE FACES OF 'EYE' — These are the talented young people responsible for CBC-TV's Sunday afternoon youth show, Through the Eyes of Tomorrow. From left are Carol Hunter, 17, Fred Harris, 21, Brant (Barney) Frayne, 19, producer Neil Andrews and Wayne Thompson, 19. Missing is Bill Craig, 17, researcher and host who was on a story assignment.

IF YOU ARE THE LUCKY ONE . . .

WHO HAS THE RESPONSIBILITY OF ARRANGING A BANQUET, RECEPTION, AFTERNOON SOCIAL, PARTY OR DANCE AND YOU'RE HAVING TROUBLE TRYING TO DECIDE WHERE TO HOLD IT, DON'T GET IN A TIZZY. CALL US RIGHT AWAY. WE WILL SEND YOU A COMPLETE CHECKLIST OF ALL THE DETAILS YOU WILL NEED ALONG WITH A COMPLETE LIST OF OUR PRICES AND SUGGESTIONS. THEN COMPARE THE PRICES. YOU'LL FIND OURS A LITTLE HIGHER. YOU WILL ALSO FIND OUR SERVICE A LITTLE PROMPTER, OUR FOOD A LITTLE TASTIER AND YOUR WORRIES A WHOLE LOT FEWER. WE'LL ACCEPT YOUR FUNCTION ANY DAY FROM MAY 15 TILL NOVEMBER 15.

WIG-A-MOG INN - 62J2

Comments By R. Glen Hodgson, M.P.P.

THE LAW ENFORCEMENT COMPENSATION ACT, 1967

The Attorney General announced that the government has recommended to the Lieutenant Governor that the Law Enforcement Act 1967 be made effective April 1, 1968.

This statute, which will provide the basis for compensation for injuries received by persons assisting police officers in the enforcement of our laws, will be welcomed in its application throughout Ontario.

The Law Enforcement Compensation Board, which will deal with the claims, has also been constituted. It will consist of His Honour Judge Collin E. Bennett, Judge of the County of Grey, as Chairman of the Board; Mr. R. P. Miligan, Q.C., Chairman of the Ontario Police Commission; and Mr. Fred B. Deacon of Belleville as members.

All matters relating to the administration of the Act and to claims under the Act should be directed to the Secretary of the Board, Mr. Gordon Mullin, 31 Edwalter Avenue, Toronto 18, Ontario.

ESTIMATES OF THE DEPARTMENT OF HEALTH

On Wednesday, April 24, the Honourable M. B. Dymond, Minister of Health, introduced the estimates of his department for 1968-69.

Some of the highlights from the Minister's introductory statement are given below:

Expansion of Health Resources - Provincial bursaries for medical, dental and other health services' personnel have been increased for the next fiscal year by \$500,000. The emphasis being placed on the expansion of health resources is tending to reverse the "brain-drain" since substantial numbers of persons are being attracted to Ontario from other countries and locations.

Health Research - Funds for health research show an increase in the estimates of \$1,321,000.

Home Care Program - An increase of one million dollars is

provided for home care. This is a shared program with the Ontario Hospital Services Commission designed to support the development of comprehensive home-care programs.

Amalgamation of Health Units - Fourteen district Health Units have now been established and at least four more will be formed in the next two or three months. A 75% grant to establish district Health Units went into effect on January 1 of this year.

Air Pollution Control - The Air Pollution Control service has been completely reorganized and is being greatly enlarged. Metro Toronto's municipally operated air pollution control program was amalgamated with the Provincial program on January 2, 1968, and those for Hamilton, London and Peel Counties are to be incorporated during the present year.

Work performed by the service during 1967 included approval of control installations for new industrial sources, some 262 applications covering the 347 major sources were processed. Other direct measures include:

1. Notification to motor vehicle manufacturers that, starting with the 1969 model year, automobiles must be equipped with exhaust emission controls.
2. Notification to certain industrial sources of air pollution, not previously subject to control, that abatement of their atmospheric emissions must be undertaken now.
3. Asphalt mixing plants in the province have been surveyed and control requirements will be promulgated shortly.
4. A study involving the meat packing and allied industries is currently underway in the Keele - St. Clair area of Toronto, as the result of which control requirements to reduce odours will be made applicable throughout the province.

Air quality monitoring equipment to permit the continuous measurement of sulphur dioxide, oxides of nitrogen, hydrocarbons, oxidants, and carbon monoxide, has been purchased by the service. This equipment will form

the nucleus around which a province-wide sampling network will be built. A special 300 ft. micro meteorological tower has been erected in Metro Toronto, and a portable 100 ft. tower purchased for use in specialized locations in the province.

Air control equipment and air quality studies are now being carried out in Atikokan, Guelph, Lambton County and Port Robinson. Air quality studies have been undertaken at Sault Ste. Marie, Aurora and along the Niagara River. A similar study is scheduled to start in Welland in the immediate future. A co-operative air pollution monitoring program is being carried out with the Peel County Air Pollution Control Agency. Other studies are under way in the Grimsby and Humberstone Township areas, and in the Windsor - St. Clair River Valley.

In the Sudbury area, information on vegetation injury and atmospheric levels of sulphur dioxide is being evaluated. Fog formation to the west of Copper Cliff is also being studied.

This year the air pollution control service is to be expanded by the addition of 55 staff, to bring the complement to 140.

Regional and district offices will be established at Windsor, Sarnia, Welland, Sudbury and the Lakehead.

A small automotive exhaust control section will also be established and an instrumented meteorological tower is planned for the Guelph - Kitchener area.

Two complete gaseous sampling stations and other specialized monitoring equipment will be put into operation in Metro Toronto, and a mobile sampling unit obtained for surveys in various other localities. Three mobile sampling stations are planned for the automotive exhaust control program. Regulations are being drafted governing the emission of pollutants by incinerators, automobiles, asphalt mixing plants and the rendering and meat-packing industry.

Nursing Homes - The licensing of nursing homes is progressing satisfactorily.

Particular emphasis is being placed upon fire safety. It has been found that not one home in ten had adequate fire-safety equipment. Not only must the necessary equipment be provided, but there is need also for training of nursing home staff in fire-safety procedures.

Homes for Special Care - This program is progressing well with 5,200 nursing-care patients and 1,200 residential-home patients placed in communities from the inception of the program to the end of February of this year. Some 2,000 patients, by virtue of indigence or other qualification, are now eligible for financial assistance under federal - provincial cost-sharing welfare arrangements.

Mental Health Program - There are now approximately 90 facilities offering psychiatric services throughout the province. Included in this number are 15 provincial hospitals for the mentally ill; 9 provincial facilities for the retarded; 6 community psychiatric hospitals; 41 general hospitals; and 8 mental health clinics, as well as a number of private hospitals and other types of facilities.

New projects will include studies of patterns of service within the community, in order to find ways of making more effective use of available resources and to direct more attention to preventive programs. The potential of community colleges and technical institutes for training mental health personnel will be explored, and residency programs developed in clinical psychology, psychiatric nursing, social work and activity therapies.

In the field of emotionally-disturbed children, the five departments identified with the government program are proceeding to implement the government's White Paper tabled a year ago.

This includes the development of regional centres as quickly as facilities and staff can be provided in Ottawa, Kingston, Toronto, Hamilton, London, Windsor, Sudbury and Port Arthur. At present, these regional centres

provide approximately 400 beds, increasing to 850 as rapidly as new construction will permit.

Additional services primarily for adolescents, and representing approximately 400 beds, have been identified for development in Ontario hospitals and community psychiatric hospitals.

OMSIP - By the end of 1967 an estimated two million people — or almost 30% of the province's population — were covered under the plan. Of this total, just over 50% were in receipt of some form of premium assistance.

Benefits under OMSIP are to be extended to include refraction services provided by Optometrists as well as by physicians.

Health Insurance Registration Board - This Board began to function at the beginning of 1968 as the prime interface with the public on health insurance matters. This integration of OMSIP and the OHSC is leading to a more effective management of health insurance arrangements in the province and provides a vehicle for use in extending health insurance in the future.

One of its major advantages is that the pattern for handling inquiries from the public is being dealt with in a more efficient and expeditious manner. As an indication of the magnitude of this problem, the Health Insurance Registration Board receives 7,500 written and 11,000 telephone inquiries per week. The Board is attempting to insure that inquiries will be answered within one week; or where investigation is involved, a definite reply will be provided in three weeks.

Ontario Hospital Insurance Plan - In its first nine years of operation, cost of this plan has increased from \$223 million in 1959 to an estimated \$612 million in 1967. The estimate for 1968-69 is \$744 million. On the average, OHSC administration accounts for less than 2% of the total cost.

The average cost for each day of insured care in general hospitals has risen from \$16.16 in 1959 to \$37.35 in 1968.

HALIBURTON LAKE

SUGAR AND SPICE

by Bill Smiley

PLEASE, KEEP IT SIMPLE

Don't be surprised if you hear of Chas. Whipp turning up in Rio de Janeiro under an assumed name, like Horace N. Buggie Whipp.

He's taking a terrible beating on the polls, all the way from Chalkwack, B.C., and North Bedford, Sask., right down to the east coast.

Maybe Charlie has received the same amount of mail on his poll, but I doubt it. And thanks, all you kind, warm people who took the time to encourage me to go on telling it as it is, and telling Charlie that . . . well, never mind. Let's drop it. He's probably a nice guy who has to snarl at somebody every so often to retain his sanity. I do.

Like right now. My wife, who has been away at college for six months, is lying on the chesterfield. After half a year of cooking, I'm still doing it. She had an operation. But it wasn't on her mind. Or her tongue. They're as active as ever.

My kid, who has about 20 days to avoid being a Grade 12 failure, and at the same time is supposed to be preparing for her A.R.T.C. piano exam, is lying in the sack, groaning, with a swollen gland and fever.

My son left Monday for the wilds of Northern Quebec, to make his fortune. For the fourth time. With a little stake from Dad, just to get him started.

Oh, well, there's always something to cheer you up. I've been in stitches, like surgical, since my wife decided to "do" my income tax this year, and save the cost of an auditor. Right at the moment, we're thousands of dollars ahead of the game. It's a delirious feeling, but I don't think it will last. There are a couple of clauses she's not sure of.

By the way, did you ever try, as an ordinary layman, to read one of those dandy little booklets your friendly revenue department is putting out to "help" you?

In the first place, as an old printer, I swear it cost a million dollars to print. In the second, who needs it? The booklet is written in auditor's language,

which is second only to that of lawyers' incomprehensibility.

If it takes you 30 pages to tell you how to fill out your income tax form, there's something rotten in the state of Canada. Especially if you don't have a clue when you've finished reading it.

I have a suggestion for the government. The booklet could be cut to half the size, and written in plain English, by any reasonably competent writer, with an auditor at his shoulder.

And I can tell you something right now. The handy little booklet is not designed to "help" you. It's deliberately cloaked in language that the ordinary man does not understand.

For the guy on a salary, it's comparatively simple. His tax deductions, however, they hurt, are made at source. But for the small businessman, the farmer, the contractor, it's a maze of pitfalls and pratfalls.

Here's a sample of the sparkling prose of the revenue. It's entitled: BALANCE PAYABLE OR REFUND. It says, "As indicated on the T1 General Form, your Balance is to be determined by subtracting from your Total Payable (Tax and/or Canada Pension Plan contribution Payable on Self-Employed Earnings) the total credits (Tax deducted per T4 and T4A slips. Amounts paid by instalments and Canada Pension Plan Overpayment).

What does that mean? And why the brackets? And why the capitals? It's not English. It's not comprehensible. It's pure gobbley gook.

Ah, I guess I shouldn't get so annoyed. I can take it. I'm still working. But my heart goes out to all those on the fringe, who've worked like dogs all their lives, and wind up with dog food.

Monmouth Library News

Book Reviews - "Rocket To Limbo" by Alan E. Nourse, is a science fiction novel appealing to our "space age" teenagers. It is the story of a boy aboard the starship "Ganymede", as it visits a star planet in search of a vanished sister ship. The pace is fast moving with suspense and a surprising conclusion. "All The Golden Gifts" by Iola Fuller, adult fiction, has as its background the colourful court of Louis XIV. The heroine, beautiful, intelligent Anne-Marie Courtime, seventeen years old, is brought from the country by her guardian uncles who hope she will become the King's next favourite and in turn, advance their fortunes. Among the many attendants of the court are her two other suitors, Guy de Mornay and Jean Pierre de Blecourt, fresh from New France.

Spring has arrived at our Library! Thanks to the Schofield girls, we have a delightful display of dolls having an outdoor barbecue, complete with rustic picnic table, swings and fire-place. Pictures of birds and spring flowers adorn the walls.

We have just completed our monthly book exchange of one hundred books, and also received an additional eighty books. There is a good selection in the non-fiction as well as the fiction.

The Library can now obtain films from the National Film Board. Any group wishing this free service can contact us at the Library and we shall be happy to help you. We receive monthly a list of films available at the County Library Office.

We were happy to see an increase in our young readers last month, with 250 juvenile books being given out and 200 adults to make a total circulation of 450 for the month of April.

Come in and browse around any Tuesday evening from 7 to 9 p.m., and Friday from 1:30 to 3:30 p.m. and also 7 to 9 p.m. in the evening.

MINDEN

At the Orange Lodge Card Party at their Hall last Monday the winners were: high for Cribbage - Loyne Cox, Mrs. Arnold Coulter (on a cut of cards), Mrs. G. Kellett (on a cut of cards), Ev Watson and Ron Robinson Jr., and lone hand - Tony Francis. After the evening of cards all enjoyed the delicious lunch and cup of tea served by the committee.

Mr. and Mrs. Dale Coulter of Gravenhurst spent the weekend with the Harold Coulters and Mrs. H. Cox.

Mrs. Harry Welch is enjoying a motor trip with friends to the Southern States.

Congratulations to the newlyweds Mr. and Mrs. Bryce Gilbert (nee Valerie Hewitt), whose wedding was on Saturday.

Mrs. Vera Cowen is presently away staying with Mrs. Victor McBrien of Boskung.

Mr. and Mrs. Angus Coulter, Mrs. Ed Lyle and Mrs. F. Miller spent Sunday at Huntsville.

Sympathy of the village to the family and friends of the late Charles Reynolds, whose funeral was on Tuesday.

A sincere welcome to the Rev. and Mrs. Howard Best and family of Toronto. He is the new incumbent of St. Paul's Anglican Church. His family will be moving to the village when this school term is over.

Mr. and Mrs. R. Ewing and Chris of West Hill spent the weekend with her parents, Mr. and Mrs. M. Sears and family.

May Stevens, Margaret McCalum and Bert Coulter spent the weekend at North Bay with their niece, Mrs. Keith Howe.

Mr. Irvin House has been promoted to District Supervisor and Buyer for Griffiths Corporation. A sincere welcome to Mr. Bill McCutcheon who is the new Manager.

Monmouth Township Council

The regular meeting of the Monmouth Township Council was held on Monday, May 6, 1968, with all members present.

Mr. Murray Scott of Harcourt presented a Group Insurance Plan; it being for sickness and accident and the minimum group of four employees. The conclusion was that the Municipality didn't have four full-time employees.

The Building Inspector gave a report on inspection and communications, and also clarification was sought on some points of the Building By-Law.

Mr. Herb Townley of Fenelon Falls made inquiry regarding the lot size for cottages on Rock Lake, and also requesting settlement for land expropriated for road allowance.

A motion was made to correct an error in the Building By-Law: a dwelling to have an area of 600 square feet and a cottage 400 square feet minimum area.

The Board of Health was requested to act in regards to a steam bath placed on Grace River, this being a source of pollution. This is unsightly where a public beach is being developed, and also said building being partially on a municipal road right-of-way.

A motion was passed to spend \$200.00 on the Wild Cat Road.

A communication regarding the voting day for a new School Area representative was received. Monday being the voting day designated by the Province, and our Municipal Election being held on Saturday this year makes it necessary for two voting days.

A Budget Meeting was held on Friday, April 26, with the budget still being incomplete pending further particulars in some matters.

A meeting was held on Thursday, May 2 with Mr. Percy of the Department of Highways regarding the construction of a Municipal Garage to house Township

equipment. Further information and costs are being investigated, with several locations being discussed.

Authorization was passed for the Reeve and Clerk-Treasurer to execute documents regarding the sale of land under By-Law 4-68.

Road Accounts amounting to \$1,274.91, Relief totalling \$405.59 and General Accounts in the amount of \$544.26 were passed.

A motion was passed to change our present Bank Account to the Bank of Nova Scotia in Wilberforce.

HALIBURTON

Mr. Ross Dart, who has spent the winter months in Niagara Falls, Ontario, has returned to his cottage on Drag Lake.

Mr. and Mrs. Harold Proctor have returned home following a vacation in the United States.

Mrs. Grant Scheffee and her Mother, Mrs. Wm. Sarginson, were recent visitors at the home of Mr. and Mrs. John Sarginson at Sudbury.

Mr. Larry Donaldson, who is employed with the H.E.P.C., spent the weekend at his home here.

Dr. and Mrs. H. P. Bishop of Guelph visited with relatives and friends in Haliburton over the past weekend.

Mrs. Ross Walker of London, Ontario has returned home after a visit with Mr. and Mrs. Mendal Smith.

Miss Catharine Carroll, who is attending Western University at London, is home for the summer vacation.

Mr. Grant Brooks, who has been attending the University of Toronto, is home for a short holiday before returning to Toronto to take a position with the Service Social Department of the C.N.I.B. for the months of July and August.

Practical Christianity

By GLEN R. PITTS

A young man asked: "How can the Gospel, which is so old, work in our modern world which is so different from the world of two thousand years ago?" That's a good question. Who in this day doesn't want the latest in everything — clothes, cars, homes, gadgets? Why not the latest in religion? In this atomic, jet and space age isn't the Bible outdated and outmoded? Is the Gospel up-to-date?

Although we live in a changing world we find that God Himself and His Word never change. We read in Mal. 3:6: "I am the Lord, I change not." Isaiah said in Chapter 40 and verse 8: "The grass withereth, the flower fadeth; but the word of God shall stand forever." God is not impressed or affected by scientific advances. He is the same in holiness, love, power and wisdom, and His word can never be outdated.

Also, man has not changed. Human nature remains the same. The changes we see are only on the surface. Our world is still filled with people like Cain, Saul and Jezebel. Sin always has been and always must remain sin. Man's need of salvation is universal and timeless. Only the grace of God can change the heart of man. Man must be born anew.

Finally, there is nothing better than the gospel. There never will be. This is an everlasting gospel, and because it deals with unchanging facts it must therefore be an unchanging gospel. It is still God's answer to man's greatest need. The gospel of Jesus Christ is still the power of God unto salvation to everyone that believeth. It is a sure remedy that is life-transforming and character-building. In 'horse and buggy days' and in the 'space age' it is the only thing adequate for man's need, as modern as eternity. The last thing Jesus Christ said before He left this earth was: "Preach the Gospel, in all the world, to every creature."

The Gospel is the 'good news' of what Jesus Christ did for you when He died upon the cross. Read John 3:16 and Romans 5:8. I encourage you to recognize your need and realize His plan and provision and then respond to His offer of personal salvation for you.

Miniature Radar Trap Developed

TORONTO — A miniature radar trap that can be held in the hand and "fired" like a gun at speeding drivers has been developed in Britain. It could easily be used by a mounted Mountie, or equally hidden under a policeman's jacket.

Government researchers at the Royal Radar Establishment, Great Malvern, say their newly invented miniature radar is "small, simple and cheap, enabling sets for burglar alarms, automobile speed measurement, ship docking and other domestic and professional uses".

The hand-size speed-trap looks rather like a space age pistol — with a squared funnel-shaped 'barrel' projecting from a meter which instantaneously records a vehicle's speed.

According to the public service division of British Motor Holdings, whose engineers have been studying this new "drivers' torment, its range is 50 yards on a man and 200 yards on a large vehicle. Cost: it could be as low as \$50.00 subject to quantity production.

For the technical the new miniature radar devices are all based on the gallium arsenide (GaAs) Gunn-effect diode. This is a piece of bulk semi-conductor which only requires a low voltage battery to be connected across it to produce oscillations in the microwave region.

B.M.H. says a policeman operating the microwave Doppler radar gun would simply have it wired to a small battery in his pocket; they say there is a great potential for their new device.

Unfortunately, they may be right!

CHRYSLER

best power for any fishing boat afloat!

Meet the 9.9, one of the all new fishing engines by Chrysler. Most powerful 'under 10' on the market. Gets you out there where the big ones are. Our new 9.9 has pushed our 14' test boat and driver 23 mph (has even pulled a full grown skier!), yet she'll troll all day with hardly a murmur.

Shallows are no problem, either. Chrysler's exclusive Depth Minder drive lets you operate in a mere 6 inches of water... and the spline-drive prop won't pick up weeds, ends shear pin changing forever. And just look at that new low-profile design. It's designed to make your carrying, stowing and operation that much easier... lets you fish across the stern, too. When it comes to fishing outboards, Chrysler has the big edge. From the all new 4.4, through the 6.6 and 9.9 to a completely new 20, they're all backed by Chrysler engineering excellence and the famous Chrysler warranty.

BIRTHS

HARRISON — Jim and Eleanor (nee Sheriff) are happy to announce the arrival of a 7 lb. 12 oz. baby girl, Michele Marie, on April 24 at the Red Cross Hospital, Haliburton.

ENGAGEMENT

Mr. and Mrs. Harley Fader wish to announce the engagement of their daughter, Daphne Ann, to Mr. Howard Donald Snowball, son of Mr. and Mrs. Howard Snowball of Havelock. The wedding to take place on Saturday, May 18, 1968 at St. George's Church, Haliburton at 3:30 p.m. Dance in Canadian Legion Hall at 9 p.m. Everyone welcome.

Mr. and Mrs. Clayton Lynn of Silver Valley, West Guilford, announce the engagement of their daughter, Carolyn Arlene, to James Ivan Scheffee, son of Mr. and Mrs. Les Scheffee of Haliburton. The marriage to take place on Saturday, June 22 at St. George's Anglican Church, Haliburton at 7 p.m.

Mr. and Mrs. Fred Toye of Carnarvon are happy to announce the engagement of their daughter, Judith Florence, to Mr. Dennis Wray Smith, only son of Mr. and Mrs. John A. Smith of Collingwood. Wedding to take place at Zion United Church, Carnarvon on Saturday, May 25 at 3:00 p.m. Dance to follow at 9:00 p.m. at Medley's Hall, Carnarvon. Everyone welcome.

Card of Thanks

The local Branch of the Red Cross Society wishes to extend its sincere thanks to all canvassers and the many citizens who so generously contributed to the annual campaign for funds in March. The President, Mrs. Madeline Austin, reported that the campaign was very successful in that the funds collected exceeded the provincial quota for this area. Mrs. Austin also expressed her gratitude to the Editor of the Haliburton County Echo for its fine co-operation during the campaign.

I shall always remember with gratitude the cards and gifts sent me while I was a patient in the Red Cross Hospital at Minden and the care given me by Dr. Koval and the Nurses, also the visits from friends, relatives and Rev. McCaw. Thank you so much. Teresa Miller.

I wish to thank all our friends, neighbours and relatives for their cards and good wishes, and our daughter, Mrs. Bev. Harden, for the beautiful mums, also Dr. Lawson and Doctors and Nurses at the Cobourg Hospital while I was a patient there. Albert Saunders.

I would like to take this opportunity to thank all my friends and relatives who sent me cards and letters and came to visit me while I was in Ross Memorial Hospital, Lindsay, and for all the phone calls and also to thank the Nurses and Doctors. Morley Sipe.

We wish to express our sincere thanks to all our friends for their kind expressions of sympathy, cards, flowers and letters. Special thanks to the wonderful friends and neighbours of Eagle Lake for their many acts of kindness during our bereavement and loss of a dear Husband and Father.

Mrs. Wm. Brackenborough and daughter, Jean Williams.

We wish to extend our sincere thanks and appreciation to relatives, friends and neighbours for their acts of kindness, messages of sympathy and floral tributes received in the recent loss of a loving husband and father, Richard Clarke. Special thanks to Dr. Bowmer, Dr. Good, the Nurses and Staff of the Haliburton Red Cross Hospital, Rev. R. J. Carder, Haliburton Branch of the Royal Canadian Legion, and the John Welch and Son Funeral Home. May and Jane Clarke.

IN MEMORIAM

HILL — In loving memory of Arthur J. Hill, who passed away suddenly on May 9, 1962. There's a face that haunts us ever, There's a voice we long to hear, A smile we'll remember forever Though we try to forget every tear.

There's sad but sweet remembrance,

There's memory fond and true; There's a token of affection, dear, And heartache still for you.

—Always remembered and sadly missed by his loving wife Myrtle.

HILL — In loving memory of my father, Arthur J. Hill, who passed away suddenly on May 9, 1962.

He is gone but not forgotten And, as dawns another year, In our lonely hours of thinking Thoughts of him are always near.

Days of sadness will come o'er us, Many think the wound is healed, But they little know the sorrow That lies in the heart concealed.

—Always remembered and sadly missed by loving daughter Margaret and son-in-law Fred.

LITTLE — In loving memory of a dear sister and aunt, Patricia Lynn, who passed away May 14, 1966.

We love to think of you, dear Pat, In mansions bright and fair; There Jesus reigns in glory, There is no sorrow there.

—Lovingly remembered by sister Gwen, brother-in-law Bert, niece Kimmie and nephew Bert Junior.

SMITH — In loving memory of a dear father and grandfather, Allen Smith, who passed away May 3, 1963.

Nothing can ever take away The love a heart holds dear, Fond memories that linger every day, Remembrance keeps him near.

—Lovingly remembered by son Bert, daughter-in-law Gwen, and grandchildren Kim and Bert Jr.

GOODERHAM

On Wednesday, April 24, Mrs. M. J. Morrison of Marmora was laid to rest in the Gooderham Cemetery. The graveside service was conducted by the United Church minister from Marmora. Accompanying relatives were Mr. and Mrs. Stan Maxwell, Mr. and Mrs. Osborne, Mr. and Mrs. Ross McColl and Mr. Glen McColl. A number of friends from the village attended the service. Afterwards Mr. and Mrs. Thos. McColl served lunch in their home to the mourners.

Mr. Jas. Pickens, accompanied by a friend, spent the weekend with his parents.

Mrs. Claribel Sheehan of Hamilton is spending a few days with Mr. and Mrs. Allen Hadley.

Mrs. Bob Fotheringham is confined to her home for a few days with a throat infection.

We are sorry to learn that Miss Bonnie Hunter has been on the sick list. We wish our sick people a speedy return to health.

The U.C.W. meeting was held at the home of Mrs. Allen Hadley. The President opened the meeting with the Call to Worship: "They that wait on the Lord will renew their strength. They shall mount up on wings like eagles. They shall run and not be weary. They shall walk and not faint." Following the opening hymn Mrs. Hadley read the Scripture Reading. Mrs. Willard Billings had charge of the Meditation: "Cords of Compassion". The Roll Call was answered with a scripture verse containing the word

NEWS NOTES

"Mother". A Mother's Day poem was read by Mrs. Bob Fotheringham:

A Mother is to Love

A Mother is to lend you money when you don't have any and all your friends are going to the amusement park,
A Mother is to wash and iron your baseball uniform when you tell her at the last minute that it has to be turned in;
She is to break the news to your father that you let the bathtub run over and that the water came through the ceiling.
She is not to complain when you go for a hair cut and get only a slight trim.

A Mother is to be "madeover" when she gets her hair done to go out with Dad.

A Mother is to add a touch of beauty to everything she handles;

She is to mend old clothes as well as shattered hearts.

A Mother is to have her heart warmed every time you say, "I love you Mom".

A Mother is to love.

Mrs. Barr described The Passion Play she attended at Lake Wales, Florida.

Correspondence was read informing us that it would likely be the early part of December before Don Raffan, a missionary who has been working in Brazil and who is home on furlough, will be free to visit our area officially.

The meeting closed with prayer by Mr. McAllister, and a social time was spent over the teacups.

WILBERFORCE

Top Constable and Mrs. Darrell Broughton and daughter Lori of Cayuga visited with the former's parents, Mr. and Mrs. Mel Broughton, for several days last week.

Mr. and Mrs. Arthur Mather and Lynda and Mr. and Mrs. Keith Tallman were weekend guests of Mr. and Mrs. Sterling Mather of Orono. On Friday evening they attended the wedding of Miss Patsy Mather and Mr. Bob Luxton, held in the United Church in Orono. Miss Lynda Mather was Maid of Honour for her cousin Patty.

Mr. and Mrs. Gerald Stevens spent Monday in Oshawa.

Miss Barbara Saunders of Oshawa was a recent visitor with her parents, Mr. and Mrs. Frank Saunders.

Mr. Bev. Harnden and daughter of Cobourg were dinner guests of Mr. and Mrs. Albert Saunders last Tuesday.

Recent guests with Mr. and Mrs. T. E. Deterling were their daughter and family, Mr. and Mrs. Jim Dunbar, Jimmie, Leisa and Andrew of Uxbridge.

Mr. and Mrs. Blake Barnes were visitors in Peterborough on Monday.

It is good to see Mr. Albert Saunders home again and up and around after his recent sojourn in the hospital in Cobourg.

CARNARVON

Mr. Tom Harrison of Laurentian University at Sudbury was home for a few days with his parents, Mr. and Mrs. Ross Harrison.

Weekend guests of Mr. Cliff Harrison were Mr. and Mrs. Brian Apps and family, Mr. Alan Britton, and Mrs. Lake and girls, all of Toronto.

Spending the weekend with the Max McKays were Mr. Tom Bennett and daughters Lynn, Jo-Anne and Laurie of Ottawa, and Mr. and Mrs. Ross Misener of Dorset.

Mrs. Elsie Bursey has returned home from her vacation in England.

Mr. and Mrs. Jack Gregory spent Monday in Oshawa.

Mr. and Mrs. Jim Redner of Toronto spent the weekend with their parents.

Quite a number of people attended the Musical Concert at the Hyland Crest Senior Citizen's Home on Saturday evening, and considered it an evening well spent. Thanks to all those who gave of their time and talents.

INGOLDSBY

Mr. and Mrs. Andy Paul, Keith and Dennis of Gravenhurst visited on the weekend at their home here.

Mr. and Mrs. Dick Peacock and family of Gelert were recent visitors of Mr. and Mrs. Harry Burke.

A speedy recovery is wished for Mr. Harry Burke, Mrs. Ed Peacock of Gelert, Mr. Archie Brown of Lochlin, and Mrs. Cecil Burk of Lochlin, who are all patients in Ross Memorial Hospital in Lindsay.

Miss Leslie Armstrong of Minden visited on the weekend with Miss Suzanne Burk.

Congratulations to Mr. and Mrs. Bryce Gilbert (nee Valerie Hewitt) on their recent marriage.

Mrs. Harry Burke, Bob and Letha visited with Mr. and Mrs. Harry Burke at Ross Memorial Hospital, Lindsay on Saturday and Sunday.

Mr. and Mrs. Pete Robinson and family of Fenelon Falls were Sunday visitors with Mr. and Mrs. Ed Carpenter.

Mr. and Mrs. Bert Carpenter visited with relatives at Cameron on Friday.

Mr. and Mrs. Everett Burk accompanied Mr. and Mrs. Gary Burk and Sonja to Lindsay on Sunday and visited with relatives and friends.

Mr. and Mrs. Ed Fielding and Mrs. Mima Burwood, Mr. and Mrs. Ed Carpenter, Mr. Russell Baker, and Mrs. Andy Paul were recent visitors with Mr. H. A. Baker at the Pinecrest Nursing Home in Bobcaygeon on the weekend.

Mr. Bob Burke spent the weekend at his home here, and is attending school in Lindsay this week.

Mr. and Mrs. John Hill and family were visitors to Toronto recently.

Lacrosse Stamp

A three colour 5c Lacrosse Stamp to be released by the Canada Post Office on the 3rd July, 1968, provides recognition for a sport that has its roots deep in the history of the early native people of Canada. Postmaster General Jean-Pierre Cote announced recently.

Vertical in format and having dimensions of 24 x 40 mm., the new stamp was designed by James E. Aldridge, a native of Toronto, who makes his debut as a designer of Canadian stamps. The full issue of 24 stamps will be printed by the British American Bank Note Company Limited of Ottawa, utilizing a combination of the steel engraving and photogravure techniques. Three figures in action poses appear as the principal design elements, two in the lower right foreground, reproduced in black by steel engraving, are clothed in present day Lacrosse attire. The third figure, printed in red, representative of early Indian development, occupies a position to the left and to the rear. An upper horizontal narrow segment of the design, separated by a white line, consists of the word "Canada" in red, flanked on the left by the denomination 5 in black. Wording in black in the principal design area consists of "Postage" surmounted by "Postes" in the lower left corner and "Lacrosse" intersected between the "a" and the "c" by a player's upraised Lacrosse stick. The whole stamp has a background colouring of deep yellow.

The game of Lacrosse is known to have been an organized activity of Indians before Columbus completed his famous voyage to North America in 1492. White men, upon their arrival, renamed the pastime, then known as Bag-gataway, before they adapted it to their own pleasure; they likened the Indian's curved webbed stick to a Bishop's crozier, this in turn became "La crosse" and "Lacrosse". There is little evidence that the game became organized as a sport of white men much before 1840.

Evolution of the game through the centuries brought major changes in the size of the playing area and the number of persons involved. The early Indian version, more of a battle training than sport for tribal warriors, had tribe pitted against tribe or village against village. As many as 1,000 men took part in these tests of endurance which are known, in some instances, to have lasted several days. Goals in the primitive era consisted of one or two poles set in the ground anywhere from 400 yards to five miles apart. Participants in the wild melees were exhorted to greater fury by women of the tribes who wielded stout switches as they followed the play on the sidelines.

Doctor G. W. Beers, a Montreal dentist who died in 1900, is generally recognized as having first been responsible for the writing of rules in the late 1860's to govern field Lacrosse as a modern sport.

BETTY BROHM, Res. 88R1

Glamorgan Township Council

The May meeting of the Glamorgan Township Council was held on Wednesday, May 1, 1968 at 6:30 p.m. in the Council Chambers, with the Reeve and all Councillors present.

Mr. Paul Spears, Municipal Accounting Advisor from the Peterborough Regional Office of the Department of Municipal Affairs, was also in attendance. Guests were Mr. Ross Agnew, Township member for the Haliburton County District High School Board, and Mr. Claude Hancock, a student at Haliburton Highlands Secondary School.

After the reading and passing of the minutes of the April meeting, Mr. Agnew and Mr. Hancock approached Council regarding the feasibility of establishing the first Monday of the deer hunting season as a Civic Holiday. Council felt that before attempting to come to a decision they would need to know the cost to the Township in grant monies lost to the High School by such a move. When this information is obtained by the Clerk more consideration will be given to the matter. It should be pointed out that since Mr. Hancock is in his last year at the Haliburton Highlands Secondary School he would not benefit from this proposed holiday, but nevertheless is working for the benefit of his fellow students who like to hunt.

Reeve Agnew then asked Mr. Spears to speak to Council, and he presented a summary of the mill rates to be levied for 1968 which he has prepared from Council's budget estimates. Rate-payers will be relieved to learn that, in spite of rising costs, the Residential mill rate will be lowered this year from 280 mills in 1967 to 269 mills. This, in addition to the new Province of Ontario Residential Tax Reduction which will benefit all residential owners and tenants, should put a smile on the face of every taxpayer in Glamorgan Township. At Mr. Spears' suggestion, Council will incorporate related mill rates, a practice now widely used by other municipalities. This will offset the extra book work in-

volved by the introduction of the Tax Reduction system. The mill rates to be incorporated will be the Municipal Rate and the Highways Improvement Rate (the two over which Council has full control) to be now called the Township Rate, and the County Rate and Aged Home Rate which are both levied by the County and which will still be called the County Rate. Anyone wishing to know the individual rates for those now incorporated may obtain the information from the Reeve, any of the Councillors, or the Clerk. Council expressed their appreciation to Mr. Spears for his assistance and advice, and after his departure they turned their attention to general business.

Motions were made and passed to pay Bills and Accounts in the amount of \$506.19, Road Voucher No. 4 in the amount of \$1,646.13, and to pay off the outstanding bank loan from 1967 in its entirety.

Correspondence was read and letters directed to the Lands and Forests at Lindsay re further improvements to docking facilities at Bark Bay on Koshlong Lake, and to the Township's legal advisor regarding the proposed purchase of a right-of-way to provide access to Lochlin Lake where a new cottage subdivision is planned.

A By-Law was passed establishing a Cemetery Board to be known as The Glamorgan Township Cemetery Board and appointing the following to be members of the Board: Gordon Barr, Fred MacDuff, Allan Madill, Thomas McColl, John J. Hunter, Harry Bates and Noble Wright.

The By-Law to set the tax levy was passed, as well as one to amend the date of the Discount allowed and the date of Penalty added. We request that all rate-payers pay particular attention to this section of their Tax Bills this year.

A By-Law was also passed appointing William O. Hunter as Trenching Excavator Inspector for the Township.

This concluded the evening's business and the meeting was adjourned to June 5 at 6:30 p.m.

Comments By R. Glen Hodgson

(Continued from Page Three)

As of December 31, 1967 there were 7,149,000 persons insured, representing approximately 99.2% of Ontario's eligible population.

Of the program's total estimated cost of some \$612 million in 1967, \$190 million was provided by the Provincial Government — approximately 1/3 of the total — \$157 million from premiums, and \$226 million was provided by the Federal Government. The remaining \$39 million is accounted for by additional capital constructions support provided by the Government of Ontario.

In 1968 the cost of hospital services covered by OHSC, the special grants, medical and tuberculosis care, will reach approximately \$744 million of which the Province of Ontario will assume liability for approximately \$250 million.

During the period 1947 to the end of 1968, provincial grants towards the cost of public hospital construction and renovation programs will be approximately \$222 million, with a further \$100 million provided in the form of low-cost loans. During the period 1947 to 1967, the Federal Government has contributed \$96 million for capital purposes to hospitals in Ontario.

As of July 1, 1968, OHSC plans to include, as insured hospital services, a number of out-patient services not presently covered by the plan. This extension will close the gap between the Commission's present out-patient benefits and those services which are normally covered by OMSIP and related contracts.

The OHSC will assume responsibility for emergency health services so that after July 1, municipal contributions toward the support of ambulance operations will no longer be required.

Financing of a central ambulance services will be channelled through the OHSC through direct agreements with ambulance operators.

A patient-participation fee will be established for ambulance services. This will amount to about 25% of the scheduled rate for the particular service supplied, up to a stated minimum, so that no insured person will be required to pay any more than this maximum amount for long distance travel by ambulance.

Your Local Merchant Is Your Friend And Neighbour

SPONSORED BY THE HALIBURTON BUSINESSMEN'S ASSOCIATION

SHAPING UP — Ontario Hydro's \$528 million Pickering nuclear power station, on the eastern outskirts of Metro Toronto, begins to resemble its model (top). Base of the tall vacuum building and three of the station's four domed reactor buildings at various stages of construction are all identifiable. Turbine building structural steel and foundations for the turbo-generators are at the right. Scheduled for completion in 1973, the 2,160,000-kilowatt station — one of the largest in the world — will produce enough electricity to supply almost one and a half million homes.

LOCHLIN

Mr. and Mrs. Carl Dugan and Mr. and Mrs. Charlie Shaw were business visitors to Dunsford last Wednesday.

Mr. and Mrs. Moss Minaker and Miss Mildred Herbert visited with Mr. and Mrs. Don Minaker in Huntsville last week.

Friends of Archie Brown were sorry to learn of his unfortunate accident on Friday, and hope his stay in Ross Memorial Hospital won't be too lengthy. Mr. and Mrs. Keith Hill and Mrs. Brown visited with him on Sunday.

Mr. Jack Dart and friend of Oshawa called on relatives here on Saturday.

POOL ROOM Proprietor, all year round work, percentage basis. Phone 140, Haliburton, Ontario.

A Good Deed-Repaid

A well dressed, alert young man sat in The Salvation Army Major's office. He had come because he was interested in a lad, just out of prison, whom the Major was helping to reestablish.

"You don't remember me, Major, do you?" said the young man. "You will, when I remind you that in 19 . . . I was in jail. On Mother's Day you had a meeting there. I asked if you would take a plant to my mother."

At once the Major stretched out his hand to clasp that of the ex-prisoner. "Certainly I remember you, Carl. It was a pleasure to visit your mother that day and take the flowers for the son for whom she was praying. I am more than glad to see you."

The caller told the Police Court Officer that he was now married, had a good home and children and a steady job. He had never forgotten the Major's words which had been so faithfully endorsed by kind and prompt action. It had made all the difference to his life and he was deeply grateful.

Now he was wanting to help another lad in trouble, just as he himself had been helped by the Major.
